It is essential that you have adequate travel insurance for yourself and those travelling with you. Each policy must include full cover for medical and repatriation in the event of an emergency whilst abroad and for cancellation or curtailment of your holiday. We ask for the following information simply so that we can best work *with* the insurance company in the unlikely event of an emergency.

This form asks for essential information which we always prefer to have on record before you travel. However, this is not a 'booking form' - the contract between the guests and Different Japan exists once the (deposit) payment has been received and, subsequently, a Confirmation Invoice has been issued by Different Japan. The Lead Guest has accepted all the booking conditions on behalf of all other persons included on this booking, and has sole responsibility for ensuring that passports are valid for at least six (6) months ahead of your date of return and for obtaining all necessary visas for non-British Citizens travelling.

The booking terms and conditions which form the basis of this contract can be found here:
